## GAUGLER ANGUS RANCH

Mark: 406-690-1546

Ranch: 406-374-2260

November 26, 2017

4 Cemetery Rd

Judith Gap, MT 59453

Dear Bull Customers, Friends, and Neighbors,

You are cordially invited to our bull sale at the Gap Ranch on **December 16, 2017**. Please join us for lunch served by the Judith Gap FFA chapter starting at **11:30 AM**. The sale format will be similar to last year with a silent auction opening at 11:30 AM and closing at 1:30 PM. At closing, Kyle Shobe will auction-off any bulls with competitive bids.

The offering consists of **50 elite yearling bulls** selected from over 350 bull calves from the 2017 calf crop. Included are 10 solid heifer bulls mostly AI sired by Sinclair Timeless 8BA4. We continue to select bulls with superior phenotype and growth with emphasis on maternal traits. Fertility is our first priority with heifers bred for 30 days and cows for 50-60 days—with no exceptions. A cow must wean a calf every year. We have no tolerance for cattle with poor dispositions, bad feet, or poor teats/udder conformation. These bulls are chosen from moderate framed cows with easy fleshing ability.

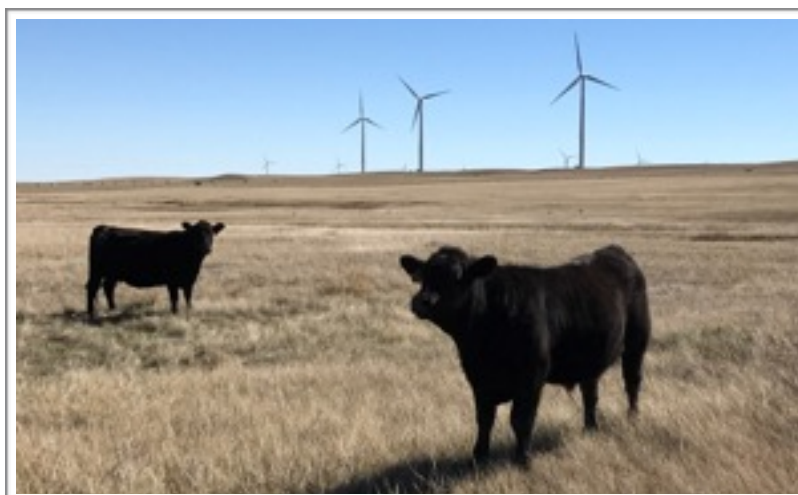

This summer was one of the driest on record. Three loads of steer mates to the sale bulls were delivered October 15th weighing 685 pounds with an average calving date of March 21st. These weights were achieved without creep on native and introduced pastures. In addition, our breed-up was the best it has been in many years. We are proud and confident in the genetics of these cattle. Yet, we are always looking for ways to improve, so your feedback is important.

As in the past, we will winter the bulls until May free of charge. They will be hand bucket fed grain with free choice hay targeting a daily gain of 2.5-3.0 pounds per day. We believe that a high roughage ration and exercise help ensure longevity in these bulls. Breeding soundness examinations and yearling weights will be taken in April.

Included with this letter is a spreadsheet of the bulls. For those of you who are unable to make it sale day, you are welcome to purchase bulls at a later date or let us know what you are looking for, and we can make arrangements. Thank you for your interest in our program. We look forward to doing business with you. Your friendship and business keep us doing what we love. Please stop by and visit or call anytime.

Sincerely yours,

The Gauglers

Gaugler Bull Calves 2017

Lot #	Sire	Dam ID	B-date	BW	Reg	205 Wt	ADG	NR	Comments
1	Sinclair Timeless 8BA4	C 335	2/15	65		663	2.92	115%	Dam is first-calf heifer. This is a great heifer bull with performance.
